

Fleet / Facilities Mechanic

Durango Fire Protection District (DFPD) believes that hiring qualified individuals to fill positions contributes to the overall strategic success of DFPD. Each employee, while employed, is hired to make significant contributions to DFPD.

We are currently taking applications for a **Fleet / Facilities Mechanic**. The position is full-time, hourly, non-exempt with full benefits. Starting hourly rate is \$20.82, depending on experience.

Minimum Qualifications to apply: Five years of increasingly responsible experience in automotive or heavy equipment repair. Specialized training in the full mechanical repair of vehicles and automotive equipment, including experience in diesel, hydraulic and computer electronics repair. Must possess a complete set of hand tools, American and Metric.

This job will remain open until filled, but to be considered for the interview process the following items are due no later than **Friday, August 17th, 2018 at NOON MDT.**

1. Application for Employment – all sections completed
2. Cover letter detailing your abilities and skills pertaining to this job
3. Resume
4. Current copy of driving record from the Department of Motor Vehicle

Completed application packets may be returned either in person to Megan or electronically to megan.kunch@durangofire.org.

The interview process will take place the week of August 20th, 2018. Job offer contingent upon successful reference check, background check, pre-employment physical and drug test.

If you have questions or would like further information on the position, please contact Human Resources Administrator Megan Kunch at 970-382-6002.
